Camp Description: This is the eighth annual summer music camp sponsored by the San Diego Choristers Guild. Campers will spend the week preparing for the performance of a fully-staged and costumed musical on Friday night. Camp staff are professional musicians, actors, clowns, and theater experts, and everyone will be rotated through fun and interesting workshops each day. Everyone will sing, act and dance in the musical.

Musical: "Step Right Up" by Dan Goeller. A brand new musical set in a clown circus. The songs are written in traditional circus music style, and the lyrics are adapted from scripture. A lot of comedy ensues when a ring master tries to get his clown circus ready to perform. The musical will be accompanied by a live circus band. The show is physically-active, theologically-enriching, and musically-engaging!

Expectations: The music and a CD will be provided to each camper several weeks ahead of time, and they will be expected to have the music learned to the best of their ability by camp week. Campers should arrive on time each day, and should not miss any days unless there is an illness or emergency.

Auditions: Auditions are only required for those who would like to be considered for a solo singing, acting, or dance role. Auditions will be held on Monday evening, May 27th, or as arranged with the director.

Teen Drama Crew: High School students have the choice of participating in the musical, or the teen drama crew. The crew will present their own short skit, act as the technical crew for the show, and spend part of the week filming a documentary about the making of a musical.

I realize that musical theater is hard work as well as fun. I promise to arrive on time each day, show respect for myself and others, and participate fully with a positive attitude! I also promise to have the musical learned and memorized to the best of my ability by the first day of camp. If for some reason I have to cancel, when possible I will give the camp director at least 2 weeks notice so that someone on the waiting list can have my spot. I give my permission for the church and camp photographer to use my child's likeness for publicity purposes. All identifying information such as nametags will be blurred out.
